XI. NEW BUSINESS

- A.** Resolution for Armenian Genocide Remembrance Week to read as follows:

ARMENIAN GENOCIDE REMEMBRANCE WEEK RESOLUTION

WHEREAS, The Armenian people, living in their 3,000 year historic homeland in Armenia, were subjected to severe persecution and brutal injustice by the rulers of the Ottoman Empire before and after the turn of the 20th century, including widespread massacres, theft of land and property, and acts of immoral destruction during the period from 1894 to 1896, and again in 1909; and

WHEREAS, The horrible experience of the Armenians at the hands of their oppressors culminated in 1915 in what is known by historians as the "First Genocide of the Twentieth Century" and as the prototype of modern-day mass killing; and

WHEREAS, The Armenian Genocide began with the arrest, exile, and murder of hundreds of Armenian intellectuals and political, religious, and business leaders, starting on April 24, 1915; and

WHEREAS, The regime then in control of the empire, known as the "Young Turks," planned and executed the unspeakable atrocities committed against the Armenian people from 1915 through 1923, which included the torture, starvation, and extermination of 1,500,000 Armenians; and

WHEREAS, Adolph Hitler, in persuading his army commanders on the eve of World War II that the merciless persecution and killing of Poles, Jews, and other peoples would bring no retribution, declared, "Who, after all, speaks today of the annihilation of the Armenians"; and

WHEREAS, The Republic of Turkey has adamantly denied the occurrence of the Armenian Genocide, and has continuously lobbied other countries from officially recognizing the Armenian Genocide; and

WHEREAS, Nations that have officially recognized the Armenian Genocide have been subjected to retaliation and condemnation by Turkey; and

WHEREAS, There have been concerted efforts to revise history through the dissemination of propaganda suggesting that Armenians were responsible for their fate and by the funding of programs at American educational institutions for the purpose of rewriting historical facts; and

WHEREAS, By honoring the survivors and consistently remembering and forcefully condemning the atrocities committed against the Armenian people as well as the persecution of the Assyrian and Greek populations of the Ottoman Empire, we guard against repetition of the crime of genocide; and

WHEREAS, UC San Diego has a decent population of Armenians, and each April UCSD students join the Armenian-American community in commemorating the Armenian Genocide; and

WHEREAS, The Associated Students has been at the forefront in encouraging and promoting awareness relating to human rights and genocide in order to prevent recurrence of the crime of genocide;

THEREFORE BE IT RESOLVED, That the Associated Students of UC San Diego, jointly with the Armenian-American community at UCSD, designate the week of April 24 as the "University of California – San Diego Armenian Genocide Remembrance Week"; and

BE IT FURTHER RESOLVED, That the Associated Students of UC San Diego shall hold a moment of silence at the Associated Students meeting before April 24th; and

BE IT FURTHER RESOLVED, That a copy of this resolution shall be sent to the following:
