IV. MOMENT OF SILENCE

V. PUBLIC INPUT

- Mark Shultzel, UCSD Kendo Team

Kendo is similar to Japanese fencing and has been around for 10 yrs. We have been very successful. We have been supported by all of the student councils and hope that A.S. will continue to support us. Here is a demonstration. Thank you.

- Daniel Watts

I want to talk about the letters in the Guardian. I want to state that I never mentioned my candidacy for A.S. President during the OASIS campaign. Be aware that the Guardian will print things without fact checking. Also, I am not happy about Soap's letter commenting on Eddie's mispronunciation of the acronym "SIORC." Additionally, the records regarding legislative conferences are in fact public information. People on these trips bought shot glasses and t-shirts with student fees and got reimbursed for it. A member of the Warren College Council, Joshua Pengson, posted message board comments on sduncensored.com about my VP Internal candidate making sexist and misogynist remarks about her.

Specifically, I can't even say them here. I confronted him and he apologized to me for campaigning three weeks early, but refused to apologies to Alicia. Talk to Eddie if you want to see the receipts. Thank You.

- Eddie Herrera

I want to express my discontent with my representative Soap Chum for attacking me on my mispronunciation of the word "SIORC" in an attempt to delegitimize my understanding and knowledge of the SIORC Center. It's come to my understanding that there are issues with people focusing on the wording of the Bylaws and not conducting business morally and ethically. Samantha Peterson would not initially release information relating to the legislative conferences because she claimed it would impede on their individual rights. When you use student fees for any type of expenses then you need to release this information. This is unfair and uncaring. We need to stop thinking about ourselves and be more concerned about the students. As for Soap, no student representative should attack any student for coming up to public input and providing their input. That's what AS is here for. We need to stop and develop relationships with our constituencies. I respectfully bid you a good night. Thank you very much.

- Mike Wicall

I am here to discuss the immigration bills being dealt with in the house and senate. Our goal is to educate the campus, provide coalitions with the high schools, etc. The house recently passed a bill that would make it a felony to live in this country illegally, also, making it a felony to provide services to an illegal immigrant. The bill in the senate is a little more favorable. The problem is that if an illegal is not employed for a period of time during the first 6 years, then they are automatically disqualified. Friday at 3:00 PM there is a meeting in the Cross Cultural Center. On Sunday at 11:00 AM we are meeting at the Cross to carpool to Balboa Park for the protest walk.

- Roxanne Dadpour, ELP

Make sure you come to our event on May 5. It's going to rock.

Spring, Week 1 Report
 - 1) **UCSD Kendo:** I'm helping them get funding and solve this whole "liability" issue with the University. It's a BIG struggle and I'm hope that AS supports Kendo tonight (as did all the 6 colleges). Ask me questions, and we'll be going over in more for IOIC!
 - 2) **AUP for Triton Cable:** Check your email tonight for my formal letter to the administration about the Acceptable Use Policy for Triton Cable. PLEASE submit your own thoughts by April 7th to usepolicy@ad.ucsd.edu and Gary Ratcliff (per his instructions) grratcliff@ucsd.edu. This is bigger than the porn issue – the new AUP is completely unacceptable in its lack of information and how it will be implemented.
 - 3) **AIM/Facebook:** If you are curious about up to date info of Revelle events, check out ROGER! It's one of the EASIEST new ways to advertise events – talk to "[Roger Revelle](#)" on Facebook or "[Mr Roger Revelle](#)" on AIM (and check their profiles)!
 - 4) **Revelle Spring Dance:** Weds night 9pm Revelle Plaza. BE THERE!! I need BODIES of people to groove at 9pm to make this quarter successful! Free glowsticks & pizza!! If it doesn't rain ☺
