About the Associated Students of UCSD (ASUCSD)
The Associated Students of the University of California, San Diego are the elected and appointed representatives of the UC San Diego student body. The ASUCSD works to promote student engagement through its services and leadership opportunities. The ASUCSD seeks to foster a cohesive community through active interaction and communication with students, the administration, and the greater San Diego Community.

Campus-wide Committee Positions
Committee appointees are expected to attend all committee meetings and when appropriate, A.S. Council meetings.

Advisory Committee on Sustainability
The purpose of the Advisory Committee on Sustainability is to provide a forum to bring together the academic program, facility planning, and campus operating interests in sustainability. By increasing awareness of UCSD's strengths in these areas, and identifying areas for further improvement, the campus will continue to define itself as a leader in understanding the earth sciences, while putting into practice the principles of environmental stewardship in its own operations.

Affiliated Housing Advisory Committee
This Committee is advisory to the Vice Chancellor-Business Affairs and serves as a resource for current affiliated housing residents and individuals with concerns or recommendations for affiliated housing. The committee reviews requests for exceptions to policies and procedures that have been previously denied by the housing manager. The committee is an option beyond the management offices and provides recommendations to the management offices and the Director of Housing & Dining Services. The committee is to review and make recommendations to the Vice Chancellor on policies, contracts, budgets, rates, and levels of service for Affiliated Housing facilities including Coast Apartments, Mesa Apartments, La Jolla Del Sol Apartments, Warren Single Graduate Apartments, and One Miramar Street.

Athletics, Recreation, and Sports Facilities Advisory Board
The Athletics, Recreation, and Sports Facilities Advisory Board is the principal advisory committee on the athletic and recreation programs, sports facilities, and related policies at the University of California, San Diego. The committee is charged by the Chancellor and given the responsibility of ensuring that the intercollegiate athletics and recreational sports programs and facilities, individually and collectively, have the emphases, breadth, and coordination to complement optimally the philosophy, missions, and goals of UCSD.
**Bookstore Advisory Committee**
This Committee functions as an Advisory Committee under the aegis of the Vice Chancellor-Business Affairs. The Committee develops recommendations that will assist Bookstore management in making operational improvements, determining and reviewing both short range and long range goals, and reviewing general service and operational philosophy. Its Charge includes a responsibility for establishing and maintaining a two-way communication between Bookstore management and the various segments of the University community.

**Campus/Community Planning Committee**
To provide advice to the Chancellor with respect to the physical development of the La Jolla campus, Elliot Field Station and the surrounding community. In discharging its responsibility, the committee will perform the following specific functions:
1. Review sites proposed by the Building Advisory Committees or other committees for planned facilities, and advise the Chancellor in regard to conformance with approved plans and concepts;
2. Review and advise the Chancellor with respect to long range physical planning issues and planning studies;
3. Comment to the Design Review Board regarding designs of buildings and major landscape projects;
4. Monitor developments in the surrounding community and evaluate potential impacts on the University to ensure that campus interests including nearby housing, retail services, open spaces and parks, pedestrian and vehicular access and mass transit needs, are adequately considered.

**Child Care Oversight Committee**
To provide a focus for child care concerns within the UCSD community, facilitate the preservation and expansion of high quality child care facilities and services for UCSD, and advise the Vice Chancellor-Business Affairs in matters concerning the UCSD community and its needs for child care, including:
1. Serve as a source and repository for all information, surveys, studies, and policies concerning child care needs of the UCSD community;
2. Serve as the main body for the discussion and formulation of policies to be recommended to the Vice Chancellor-Business Affairs concerning child care issues at UCSD.

**North Campus Building Advisory Committee/University House Building Advisory Committee**
The purpose of the BAC is to establish a representative body of the campus that works closely with the appointed design professionals to ensure a capital project meets the goals and objectives of the campus and users. The BAC members begin their duties by participating in the screening and selection of the design professional; continue by working closely with the design professional in programming and designing the facility; and end when the construction contract is awarded. The expected duration of the BAC is approximately two years, but will vary depending on the type of project and funding timelines.

Additional Considerations of the Building Advisory Committee:
- Building Advisory Committee Process
- Project Cost and Schedule
- Single Occupancy Restrooms and Lactation Facilities
- Sustainability and Energy Conservation
- Retail and Commercial Services Space

**On-Campus Residential and Dining Services Advisory Committee**
This Committee is advisory to the Vice Chancellor-Business Affairs. It is a policy recommending group. The Committee is to review and make recommendations to the Vice Chancellor on policies, contracts, budgets, rates, and levels of service for on-campus residence halls, single undergraduate apartments, and dining services contiguous to the Colleges.
Retail and Commercial Services Advisory Committee
The charge to this Committee is to advise the Vice Chancellor-Business Affairs, Resource Management & Planning, and Student Affairs on retail and commercial activities to serve the students, faculty, and staff on UCSD's campus in La Jolla.

Security Advisory Committee
This Committee is advisory to the Vice Chancellor-Business Affairs, through the Director of Community Safety. The Committee will act in a consulting capacity to the UCSD Police Department Crime Prevention Unit and the UCSD Safety Awareness Program, when assessing campus safety and security problems, issues, and concerns. The Committee shall meet as needed but not less than quarterly.

Social and Environmental Sustainability Committee
The object of this Committee shall be to provide a forum for issues of social and environmental importance to the UC San Diego campus and local community; to create and execute programs which serve the collective interests of the campus population regarding social and environmental issues; and to provide counsel, information, and recommendations to the ASUCSD regarding said issues.

Student Systems Advisory Committee
The Student Systems Advisory Committee is charged to:
1. Formulate a recommended strategic direction for large-scale and/or significant student system projects for the campus, and revise and update the plans as necessary.
2. Recommend subcommittee action to gather critical information;
3. Solicit input from the committee participants about projects which detail (1) objectives, (2) justification, (3) level of effort required by the campus, technical support, and administrative offices;
4. Provide written advice to the appropriate Vice Chancellors on the various project initiatives;
5. Monitor and report on the progress of each project from conception to implementation.

Subcommittee to Review PPM 510-1, Sections IX and XII
The Subcommittee to Review PPM 510-1, Sections IX and XII was appointed jointly by Vice Chancellor-Business Affairs Steven Relyea and Vice Chancellor-Student Affairs Joseph Watson to review these sections of policy and recommend revisions. The committee will meet approximately once monthly throughout the Fall and Winter quarters and is expected to complete its work before the end of the 2007-2008 academic year.

Transportation Policy Committee
The UCSD Transportation Policy Committee (TPC) advises the Vice Chancellor-Business Affairs on the development of UCSD's transportation programs and facilities, including those at the La Jolla and Hillcrest campuses and all other UCSD divisions at satellite locations. TPC is expected to promote and sustain UCSD as a pacesetter in terms of its responsiveness to legitimate concerns about the quality of the environment, equity of treatment, thoughtful use of land, and fiduciary obligations.
Specifically, TPC shall provide advice on:
- the development of alternative transportation programs;
- fees and rates;
- the location, timing, and scope of future facilities; and
- the disposition of transportation and parking system revenues.
UCSD Park Committee
The 1989 UCSD Revised Long Range Development Plan and the UCSD Master Plan have designated a campus wide Park comprising the campus' unique vegetation and land features. To insure preservation of these resources, the UCSD Park Committee shall act as a subcommittee to the Campus Community Planning Committee (C/CPC). The Park Committee shall monitor campus actions that may affect the Park and perform the following functions:
1. Act as the Planning Advisory Committee for Park related planning studies;
2. Review projects or plans which might affect the Park (e.g. vis-a-vis grading or drainage) and advise C/CPC accordingly; and
3. Evaluate and advise C/CPC regarding the potential effects of any development proposed to occur in the Park.

University Center Pedestrian Improvement Plan Work Group
This work group will oversee preparation of concepts and cost estimates for three open space projects located in the University Center neighborhood: Town Square, Market Place Plaza, and Lyman Lane.

Undergraduate Student Experience and Satisfaction (USES) Steering Committee
The USES Steering Committee was established by the three Vice Chancellors who commissioned the USES Report to accomplish the following objectives:
1. Encourage broad dissemination and discussion of the USES Report and its findings and recommendations;
2. Encourage broad-based and collaborative efforts in evaluating and responding to the USES Report;
3. Champion efforts and actions in response to the report to improve the quality of undergraduate student experiences and levels of satisfaction;
4. Maintain and encourage broad-based, active campus attention to improving the undergraduate student experience and satisfaction.

Vehicle Accident Review Board
This Board is advisory to the Vice Chancellor-Business Affairs. The objective of this Board is to encourage safe driving habits by University employees and reduce the occurrence of preventable motor vehicle accidents involving University employees through:
1. Reviewing the causes of vehicle accidents to determine if they may have been preventable; and
2. Generating recommendations to drivers, supervisors, and administration to assist in the prevention of similar accidents and encourage safe driving habits.
