ASUCSD Triton Tide Charter

PREAMBLE

To meet the interests expressed by the student body, the Associated Students of the University of California, San Diego will establish Triton Tide as an A.S. Service. It shall remain the objective of Triton Tide to promote spirit through support of Intercollegiate Athletics at UCSD.

ARTICLE I: STRUCTURE/MANAGEMENT

Section A: Director of Triton Tide/ Athletics
1. The co-chairperson of the Triton Tide shall be the A.S. Director of Triton Tide/ Athletics, as appointed by a committee composed of the Associate Athletic Director, TAC Chairperson, ASUCSD President, and ASUCSD Commissioner of Athletics and approved by a majority vote of the ASUCSD Student Council.

2. The chairpersons of Triton Tide will be responsible for all aspects of the Triton Tide’s daily operations, including staff supervision, budget preparation, and management.

Section B: Commissioner of Athletics
1. Shall serve as a co-chairperson of Triton Tide. The Commissioner shall work with the Director of Triton Tide to promote the goals of Triton Tide. The two will share responsibility for Triton Tide, but the Director will oversee all operations.

2. Shall serve as a co-chairperson of Triton Tide. The Commissioner shall work with the Director of Triton Tide to promote the goals of Triton Tide. The two will share responsibility for Triton Tide, but the Director will oversee all operations.

Section C: Director of Athletic Publicity
1. Shall work to increase the publicity of Triton Tide and Triton Tide events by publicizing them through various means to the entire UCSD campus.

2. The co-chairpersons of the Triton Tide shall have the power to appoint staff and volunteer members to Triton Tide. The Director will have the responsibility of creating job descriptions for these members who are not outlined in this charter.

3. The amounts of any stipends for Triton Tide members including the director’s stipend and will be determined by the A.S. Council’s executive budget.

ARTICLE II: EXECUTIVE BOARD

Section A: Director of Student Development
1. Shall be largely responsible for increasing attendance of Triton Tide participants and executive council.

2. Shall focus much of their attention on the UCSD students who live on campus and resident advisors.

3. Shall serve as a liaison between residence staffs and Triton Tide.

4. Shall work the residence staff to increase athletic awareness within their respective communities.

Section B: Director of Student Involvement
1. Shall be responsible for increasing attendance at specific games by having a group of students who are spirited fans, wearing similar outfits with a goal of increased spirit in crowds.

2. Shall be responsible for attending all Triton Tide games and leading all cheers to support UCSD’s teams.

Section C: Director of Student Awareness/Publicity
1. Shall be responsible for finding fellow students to promote athletic events on campus and direct them how to promote events.

2. Promotion does include but is not limited to flyer distribution, chalkboard updates, creation and hanging of signs, and updating UCSD athletics signs around campus.

3. Shall be responsible for the Triton Tide Street Team, promoting athletic events on campus in person to students.

Section D: Director of Promotion
1. Shall be responsible for increasing the membership of Triton Tide.

2. Shall work to promote Triton membership throughout campus at various all campus events.

3. Shall be responsible for distributing all Triton Tide products at Triton Tide Events.

4. Shall be responsible for bookkeeping and operations of Triton Tide membership program.

Section E: Director of Technology
1. Shall be responsible for all parts of Triton Tide that relate to use of graphics and technology.

2. Graphics and Technology include but are not limited to creation of flyers, shirt design, communication between appropriate graphic artists and personnel, creation of brochures, email, Triton Tide database and developing new forms of communication to reach students.

Section F: College Representatives
1. The College Representatives will be responsible for being a link between each individual college, college council, and Triton Tide.
2. The College Representatives will be responsible for increasing awareness and membership in his/her respective college.
3. Shall work with each individual college to promote a college and hold events on the individual college campus to promote athletic events.
4. Each college shall have a College Representative.

Section G: Pep Band Representative
1. The Pep Band Representative will serve as a liaison between the Pep Band and Triton Tide and will be responsible for getting the Pep Band at specific Triton Tide events.

Section H: Cheer Squad Representative
1. The Cheer Representative will serve as a liaison between the Cheer Squad and Triton Tide and will be responsible for getting the Cheer Squad at specific Triton Tide events.

Section I: At large Representatives
1. Shall be a part of the executive council if approved by the co-chairpersons of Triton Tide, and shall be directed by the Director of NCAA Athletics.

ARTICLE III: OWNERSHIP
Section A: Ownership
1. Ownership of Triton Tide shall remain with the Associated Students, University of California, San Diego. Ownership is defined as owning equipment or supplies, operating facilities, revenue-generating contracts, and any other aspects of the Triton Tide.
2. In the event of the dissolution of the Triton Tide, all items defined as Ownership shall become property of the ASUCSD.

ARTICLE IV: FUNDING
Section A:
1. Annual funding for the Triton Tide will be determined in the A.S. Council’s Executive budget. Triton Tide may request funding from the A.S. for additional expenses encountered during the year.

ARTICLE V: AMENDMENTS
Section A:
1. Amendments to this charter can be made by a recommendation of the Triton Tide Executive Council and concurrence of the A.S. council.

ARTICLE VI: MISCELLANEOUS
Section A:
1. Triton Tide shall not discriminate on the basis of race, ethnicity, sex, physical disability, sexual preference or religion in any aspect of its operation.
