Student Athletic Support Fee Referendum

1. Do you approve an increase in the Intercollegiate Athletics (ICA) fee by \$78.04 per student per quarter effective Fall Quarter 2007 adjusted annually according to the California Consumer Price Index (CPI) to support the needs of intercollegiate athletics and the campus recreation sports program and to establish student-athlete grants-in-aid?

67.5% percent of this fee increase would be allocated to and administered by the Intercollegiate Athletics Department to increase its operating budget for a broad-based program and to comply with the NCAA Division II grants-in-aid requirement.

3.5% percent of this fee increase would be allocated to and administered by the Campus Recreation Sports Program.

29% of this fee increase will return to institutional financial aid.

The current ICA fee is \$31.80 per student per quarter and is adjusted annually according to the CPI.

Disclaimer: These PRO & CON statements below are the author's personal opinions and do not necessarily reflect factual information, nor the views of the Associated Students or election committee.

PRO	CON
<p>VOTE YES! The Athletic Department at UCSD can no longer exist with its current funds * Student-athletes expected to pay <u>hundreds</u> out of pocket just to participate * Many teams are forced to take other cost-saving measures that take up potential practice or study time * Coaches are required to coach AND fundraise, as well as driving teams to away games * The current NCAA requirement for Grants-In-Aid can NOT be funded by the Athletic department! The Academic Senate says it MUST be student-funded, and this is the only way!</p> <p>VOTE YES Cutting Teams Would be <u>Devastating</u> to UCSD * Without this money our department would be subjected to probation and elimination from championships by the NCAA and CCAA or even worse removed from our Division II standing * Why would any student want to go to a school that recently cut a handful of programs? * Having to cut teams would draw significant <u>negative media attention</u> to our university nationwide * Failure would <u>disenfranchise</u> current students AND athletics alumni</p> <p>VOTE YES The benefits GREATLY Outweigh the Costs</p>	<p>The Athletics department does NOT need this money. The Administration has told the athletes that teams will be cut if this doesn't pass, so that this referendum can be pitched as a "save athletics" referendum. Do not be fooled. THIS IS NOT TRUE.</p> <p>They only really need \$12 from you to keep all the teams out of deficit and stay in Division II, but are asking for \$78 because they know they can get students to pay for it. Where is the extra money that they don't need going to go? Salaries and money for administrators to travel on paid vacations to conferences. That's right. They're asking you for raises and what they call "professional development." Is any of that needed to keep our athletics program? No. But they know by lumping it all together, they can get you to vote for their higher salaries because they can say athletics will be cut if it fails.</p> <p>Don't listen to them! If this fails, AS has the option to put the \$12 the Administration really needs on the ballot for a vote in the Spring and no teams will be cut. Don't pay \$78 when you can really pay just \$12.</p> <p>This fee automatically increases every year with no limit. If you're a freshman, you could be paying \$375 for athletics every year until you graduate.</p> <p>VOTE NO!</p>

Athletics is one of the only programs that can provide such benefits as increased national reputation, school spirit and pride, alumni involvement and donations and MORE

These are all significant issues facing UCSD currently, and athletics most certainly can help, *while still being the only program that all students can enjoy.*

VOTE YES

**Leave UCSD a Positive Legacy TODAY
Support the Program which has brought
UCSD 29 National Championships,
multiple NCAA Directors' Cups and the
inaugural CCAA Commissioner's Cup.**

*STOP letting the administration ignore the
under-funding of UCSD Athletics!*

**VOTE YES and make a statement that
students
CARE about the future of athletics at
UCSD!**

RIMAC Annex Advisory

1.

The RIMAC Annex is a new construction project that will be located adjacent to RIMAC and the NCRA field. The project will utilize approximately \$10 million in revenues generated from student fees and will include a café, terraced outdoor seating areas, two lounges with a coffee bar, a convenience store and a large meeting/activity room. No new student fees will need to be assessed for this project; it will be funded from the facility reserves and donated moneys. Revenues generated from this facility will be utilized to offset the cost of RIMAC operations.
