Reports of External News

- **Senator Hickman:** On Covid in San Diego, the mayor is working on protecting the homeless due to increasing cases and deaths.
- **VP External Affairs Williams:** On estimates of the UC bill, 30 billion was allocated to California.

Reports of Senator Projects

- **Senator Pandya:** I was collaborating to work on forming a committee for changes. That is still going on.

Reports of AS Offices

- **FC Christensen:** Student fees are still being talked about.
- **President Grudin:** We created a google form to address mandatory class attendance. I am still working to address test taking.
- **VP Campus Affairs Reynoso:** My office met this week and plans were put together for upcoming fall quarter.

Question Time

- **Senator Pandya asking President Grudin:** On the meeting with the live proctoring, what were the faculty thinking of as alternatives.
- **President Grudin:** They are against online proctoring so professors develop timed exams or submitting photos of work after exams.
- **Senator McKeever asking VP Williams:** 17 million going to UCSD, what does that entail?

- **VP External Affairs Williams:** 35 million goes to UCSD, but 17 goes directly to students. They are still working on it.
- **Senator Liu asking President Grudin:** You said participation was not allowed to be mandatory so discussions?
- **President Grudin:** Attendance shouldn't be required, but they can get creative on participation as long as it is not live.
- **Senator Salazar asking President Grudin:** On conversation portions of language classes, professors are making them present. Can those students fill out the doc?
- **President Grudin:** Yes, language was a trend for the docs.

Reports of External Committees

- **Senator Martinez:** There was a meeting on UCSD supporting admitted students. ACT and SAT are no longer required.
- **Senator Giangtran:** On Free Expression workgroup, we discussed people expressing themselves on Zoom chats and Canvas discussion boards. We can't restrict anything said so the Vice Chancellor is working on Zoom guidelines.
- **VP Campus Affairs Reynoso:** Eighth College Committee took a lot of input from you on themes.
- **Senator Gong:** Health updates on campus. Student Health Services are still open. There are some discussions on changes to UCSHIP. You can also connect to a therapist online.

Unfinished Business

- **Senator Giangtran:** Can the President ask the Vice Chancellor to explain how this document relates to Zoom?
- **Vice Chancellor:** I don't know the answer specifically. This was developed before Covid19 and having Zoom as the center of our learning experience.

Final Roll Call

Meeting adjourned at 6:55 PM.
