

Judicial Hearing Decision: 5.22.20

The AS Judicial Board upholds the Election Committee's reasons for dismissal. The Elections Committee followed the proper procedure by informing the Complainant that they were not eligible to file due to being a Non-ASUCSD member by Article III of the ASUCSD Constitution; the Complainant's grievance was also fully reviewed by the committee three hours before the dismissal was given, showing it was fully reviewed.

We advise that AS fix up their automatic email system, as it is their official filing system, to delineate a clear argument as to why complaints are dismissed to help account for issues like this in the future.
