NOTICE OF MEETING
THE ASSOCIATED STUDENTS OF THE UNIVERSITY OF CALIFORNIA SAN DIEGO

Date: Wednesday, May 18, 2022
Time: 6:00pm
Location: Price Center East Forum & https://ucsd.zoom.us/j/98762880541

Order of Business

Roll Call
Public Input
Special Presentations
  ● Special Presentation by UC San Diego Alumni Board: Alumni-Student Engagement. Sponsored by President Manu Agni.
  ● Special Presentation regarding The Charter of the Transfer Advisory Committee. Sponsored by Transfer Senator Anna Zick.
Reports of Senator Projects
Reports of AS Senators
Reports of AS Offices
Question Time
Reports of Standing Committees
Reports of External Committees
Committee Question Time
Discussion Items
Unfinished Business
New Business
Open Forum
Roll Call
Written Reports
Bills in Committee

Finance Committee

F1. Allocation of $700,000 from Mandate Reserves for the Remodeling and Revitalization (Capital Improvements) of the AS Office Spaces to ensure the space is safe and ergonomically developed for an efficient working environment for AS Professional and Student Staff. Sponsored by FC Kamron Williams. *(See attachments F01a & F01b)*

Legislative Committee

L1. The KISEKI Reform (Killing Inaccessible Structures, Enhancing Kool Ideas) on AS Elections. *(Attachment Forthcoming)*. Sponsored by VP Campus Affairs Isaac Lara

L2. AS Besties Amendment: Reforming Special Rules of Order to Include the "Bubbles Rule" and Principles of Community *(Attachment Forthcoming)*. Sponsored by VP Campus Affairs Isaac Lara.

L3. The Charter of the Transfer Advisory Committee (TAC) sponsored by Transfer Senator Anna Zick.

L4. Grocery Shuttle Memorandum of Understanding. Sponsored by President Manu Agni.
LYRA® PB Shapes for DesignFlex®
with Plant-based Binder

PERSONALIZE YOUR DESIGN!
Mix and match different sizes, shapes, colors, and materials to reinvent your ceiling. More at:
armstrongceilings.com/designflex

KEY SELECTION ATTRIBUTES
• DesignFlex® options include shapes, made-to-order sizes, and colors available to ship in 3 weeks
• Mix and match – Shapes also available in Calla®, Ultima®, Optima®, MetalWorks™, and WoodWorks® panels
• Lyra® PB panels are manufactured with a plant-based binder and are part of the Sustain® portfolio, and meet the most stringent industry sustainability compliance standards today
• ClearAssure™ family of products – includes disinfectable panels, suspension systems, and trim
• Mold- and mildew-resistant surface
• Excellent sound absorption – NRC 0.95
• Light reflectance – 0.88 (white only)
• Shaped lights and diffusers are available from our DesignFlex partners. Our lighting partners for TechZone® and MEP partners also provide products that are compatible with the DesignFlex® system; other standard modular and pendant fixtures can also be used with this ceiling system
• Washable, Impact-resistant, Scratch-resistant, Soil-resistant
• Product can be recycled through the Armstrong Ceilings Recycling Program
• 10-Year Limited System Warranty against visible sag, mold, and mildew

COLORS
Due to printing limitations, shade may vary from actual product.

Standard colors are pre-qualified to meet Sustain® portfolio requirements. Custom colors may need to be evaluated if sustainability criteria is required.

DETAILS
1. Lyra® PB Shapes Square Tegular
2. Lyra® PB Shapes Square Tegular with Suprafine® XM 9/16” suspension system

Start your design process with a visit to our online pattern gallery at: armstrongceilings.com/patterngallery

See dozens of pre-designed patterns and colors online in our pattern gallery. We’ve provided all of the details — from takeoffs showing 2’ or 4’ on-center spacing to panels, suspension, trims, and accessories. Installation instructions answer questions typically associated with unique ceiling installations. Lighting and air diffusers can also be easily integrated. If you can’t find the ceiling pattern you envision for your next space online, call us and we’ll help you create a design to personalize your space — 1 877 276-7876.

These 9 Lyra® PB Shapes with Square Tegular edges are available with Suprafine® XM 9/16" suspension:

PHYSICAL DATA

Material: Fiberglass with acoustically transparent membrane
Surface Finish: Acoustically transparent membrane with factory-applied latex paint
Fire Performance: Class A: ASTM E84 and CAN/ULC S102 surface burning characteristics. Flame Spread Index 25 or less. Smoke Developed Index 50 or less (UL labeled).
ASTM E1264 Classification: Type XII, Form 2, Pattern E; Fire Class A
Humidity/Sag Resistance: HumiGuard® Plus ceiling panels are recommended for areas subject to high humidity, up to, but not including, standing water and outdoor applications.
Anti-Mold/Mildew: Ceiling tiles with BioBlock® performance resist the growth of mold and mildew on the tile surface.

VOC Emissions: GREENGUARD Gold Certified
High Recycled Content: Classified as containing greater than 50% total recycled content. Total recycled content based on product composition of post-consumer and pre-consumer (post-industrial) recycled content per FTC guidelines.
Seismic Restraint: Suprafine® XM for Shapes suspension systems have been engineered, tested, and approved for use with DesignFlex® Shapes panels for application in all seismic areas when installed per Armstrong® Ceilings installation instructions. For more details, visit armstrongceilings.com/shapesinstallation
Insulation Value: R Factor – 4.4 (BTU units); R Factor – 0.76 (Watts units)
Design Consideration: Physical product samples for standard and custom colors are available upon request. Please refer to the physical product sample prior to making a final selection. While we strive to ensure exact color matches, various factors such as differences in materials, texture, substrate porosity, painting processes, lighting, and observer subjectivity can all affect how paint colors appear on ceiling and wall panels, suspension systems, and trim products. Due to these and other differences, ceiling and wall panels, trim products, and suspension systems with the same color name will coordinate but may not be an exact color match. Product is dye-dyed. Order sufficient initial quantities and attic stock to minimize possible color variation.

Cleaning and Disinfecting: Cleaning and CDC recommended disinfecting options available on armstrongceilings.com/cleaning
10-Year Performance Guarantee & Warranty: When installed with Armstrong® Suspension System. Details at armstrongceilings.com/warranty
