FC Christensen moved to approve Item L4.

Senator Martinez seconded.

No objections.

Reports of External News:

- **VP External Affairs Williams:** Election Day is coming up.
- **Senator Hickman:** On San Diego measures A, B, and C it has been shared out.
- **President Grudin:** On the strike in Santa Cruz, there was a threat to terminate their contracts if they don't submit grades by Friday. No action has been taken on the students they are continuing to strike. Santa Barbara will join.

Reports of Senator Projects:

- **Senator N. Lee:** Thanks for participating in our collaborative hours.
- **Senator Pandya:** For senator training, we had conversations on reforms to return power to senate. I am interested in creating a committee on this.
- **Senator Hickman:** Welcome to Extra Public Senate!

Reports of AS Offices:

- **President Grudin:** In Oakland, talking with Office of the President, the president has support for search of Regent in Central Valley. We talked about COLA and they cannot talk to students illegally striking without unions. We discussed how they don't have money to support the demands of the strike. We said to explain to grads why they can't fund it instead of saying they are illegally striking. We discussed switching to semester system or staying in the quarter system.
- **VP Campus Affairs Reynoso:** The Campus Planning Feedback Forum went very well. My office is working on a tabling event on Week 10 for student feedback on wifi.

Tomorrow in the Green Table Room is the AS Elections Mixer. Homecoming Committee is going on. The Marshall banners are fixed.

- **President Grudin:** I am meeting with OPHD. They deal with discrimination in workplace and sexual assault. I will discuss their website and updating it. We discussed the reporting process of sexual assault and working on a infographic to help. We are searching for a new person to overlook the wellness aspect of our campus.

Reports of Standing Committees:

- **FC Christensen on Finance Committee:** Items F1-F4 approved.

Reports of External Committees:

- **VP Campus Affairs Reynoso:** On the HSI workgroup, I am getting feedback on students. They want someone from AS to go in and speak to them. I can't do it by myself so it would be nice for you to reach out.
- **President Grudin:** The DEI committee finished a list of recommendations on what that course should look like.
- **FC Christensen:** I met with a representative from Apple Student Ambassadors. I advised him to create a student org to interact with them. They want to do more than just discounts at bookstores.

Discussion Item:

President Grudin moved to enter moderated five minute discussion regarding CAPS fee referenda.

Senator Monroe seconded.

- **President Grudin:** I sent out the final language. The CanyonView will be on the ballot.
- **Senator Hickman:** Can we make superficial changes?
- **President Grudin:** We can change before GSA changes. So yes.
- **Senator Martinez:** Is 4% fee change for COLA or not limited to other fee adjustments?
- **President Grudin:** We can make it more clear.
- **Senator Walker:** There's a small error in the first paragraph.
- **President Grudin:** It is a question so there's a question mark.

Exit moderated discussion.

Senator Pandya moved to indefinitely table item 1

Senator Huang seconded.

Open Forum:

- **Senator Alsaied:** Let me know about resumes and jobs.
- **Assistant Director Weng:** Filing closes next Thursday at noon.
- **VP Campus Affairs Reynoso:** All the comments from the tabling events last Thursday are being sorted by my office. We got positive feedback and a lot still don't know who we are and what we do. I want to know your opinion on an online campaign. Just asking for feedback on what we can do better. I want a straw pull for yes online campaign, no, or abstain.
- **Senator N. Lee:** I am a Rockstar ambassador, for big projects feel free to reach out to me. I need to submit events by March 1st. I get 20 cases and merch.
