

ASSOCIATED STUDENTS JOINT SESSION MEETING

Week 3: April 18, 2018

4:00pm in the Price Center Forum

Meeting called to order at 4:05pm

Dean of Undergraduate Education John Moore

Questions, Comments, Concerns:

Concern: Maintenance in Classrooms and making them more accessible to students with disabilities

Answer: Team meets quarterly to talk about classroom maintenance and ADA advocates are investigating where additions that can be made to improve the quality of life for students with disabilities.

- Contact Melissa and Joanna to explain concerns:
 - Melissa Williams: melissawilliams@ucsd.edu
 - Joanna Boval: jboval@ucsd.edu

Concern: Classroom distributions

Answer: More classrooms are being developed in order to avoid this problem and optimize enrollment in courses. This means proximity to what college is taking these classes is not a priority, the primary concern is to make sure the number that needs to be accommodated is enrolled in the class.

Concern: Repairs and Access to learning spaces for students with disabilities as well as construction zones impeding students with disabilities to get around

Answer: Contact Melissa, ADA coordinator: melissawilliams@ucsd.edu and Joanna Boval: jboval@ucsd.edu when doing so give a detailed outline of problem and maybe even provide a picture, location, etc.

Concern: Accessibilities and Resources for Student Parents

Answer: Wellness Resources for student parents are available at <https://students.ucsd.edu/well-being/wellness-resources/student-parents/index.html>

Concern: Services for students in newly established majors

Answer: These issues depend on department accommodated for students in these majors and making sure they have needed resources available to them

Jessica, Senior AVP of Concerts and Events

Concern: Is there a reason why some classes are only provided once a year

Answer: Departments have to figure out how to set up staffing

Derrick, Revelle Senator

1st Concern: Are there any efforts being made to decrease the amount of evening classes

Answer: Way to alleviate crunch on classroom space

2nd Concern : Wondering if there is any way to make classrooms more ergonomic for students

Answer: Not sure; however, they are looking into improving seating in lecture halls so they are more accommodating for all students to sit comfortably

Darron Woods, Transfer Senator

Concern: Any plans to offer more online classes so students can graduate on time if they miss

Answer: Strategic Academic Program Development initiative is trying to build more alternative ways for classes to be taken without decreasing the quality of the class.

Dean of GPS, Peter can be contacted if anybody has questions
